

Sign up as a Community Connector

A Community Connector is: a resident who helps pass on information or signpost people to facts and support about the pandemic. They feedback information and their observation back to shape local action.

The Community Connectors gets: a weekly newsletter with local, reliable and timely information. A point of contact to share feedback.

Aim: keep yourself, your family and community safe. Reach those who are not accessing official channels of information, are not digitally enabled, prefer information from a familiar, trusted source or a conversation.
