

Garon park volunteering - MSPS volunteered to plant orchard trees with St Mary's primary school which were donated to Garon Park.

It was a great event as the kids learnt about the do's and don'ts of planting trees, all whilst helping the environment!

Mentoring circles - On the 22nd of March MSPS will be running a CV workshop and on the 23rd of March an employment skills and interview techniques workshop, both sessions will be virtual.

All referrals for the above should be sent to CSRbox@morgansindall.com

Energy redress scheme - MSPS have been working with HACT on their energy redress scheme and to date have issued £378 in energy voucher support. The scheme is to support people who are experiencing fuel poverty. Everyone we contacted were also offered energy advice and invited to a MSPS energy café.

Energy Café

Need advice on making your home more energy efficient?
Join our FREE virtual Energy Café advice sessions!

Energy Cafes- MSPS are running monthly energy cafes, anyone in need of energy support and advice should email CSRbox@morgansindall.com to get booked on to the next session. The next session will be held on the 6th of April.

If you have any information for the monthly round up, please contact Lauren Kennett on lauren.kennett@morgansindall.com or on 07815025673.
